ST. STEPHEN'S COLLEGE, UZHAVOOR

About Institution

Crowning a hillock in majestic splendour and set against a lush verdant backdrop, St. Stephen's College is the pride of Uzhavoor. The college which belongs to the Knanaya Catholic Arch Diocese of Kottayam is affiliated to Mahatma Gandhi University.

The brain child of the then Bishop of Kottayam, His Excellency Rev. Dr. Thomas Tharayil, the college was established in 1964. Sri. Joseph Chazhikadan ex-MLA and Rev. Fr. Peter Uralil, the first Principal of the college, were the guiding forces behind this noble endeavour. They were supported and encouraged by the active co-operation of the people of Uzhavoor and a host of well-wishers. In the beginning, St. Stephen's was a Junior College with four batches of Pre-Degree students.

The small step taken in 1964 culminated into a giant leap by the beginning of the new millennium. In 1968 the college was upgraded to the degree level. Today it has gained in strength and size with 4 postgraduate courses, 8 undergraduate courses, a computer centre, a media centre, a network resource centre, an astroview centre, K.R. Narayanan Study Centre, a full-fledged library and reading room, a language lab, a health and fitness centre, a big auditorium, a ladies' hostel, a well-functioning canteen, a store, spacious staff-rooms, rest rooms for students, a medicinal garden, a vermicompost unit, large grounds for sports and games, ample parking facilities and an Indoor stadium is under construction.

VISION

St. Stephen's College is an academic fraternity of individuals dedicated to its motto. We strive to reach out to the star of human excellence based on the love of God and service to mankind as modelled in Jesus Christ, in a background of Indian heritage so as to produce intellectually trained, morally upright, socially committed and spiritually inspired citizens.

Translating the vision into action, St. Stephen's College seeks;

To give quality education that includes the imparting of sound learning, building of character, the spread of Truth and the knowledge of God.

To inculcate moral values, social commitment and dignity of labour among the youth through value education programmes.

To develop in the students an attitude of reconciliation between man and nature which will help them become peace makers, defenders of the poor and keepers of the environment.

MISSION

Mission of the College for the academic year 2016 - 17: **"EXCELLENCE IN EDUCATION"**.

OUR MOTTO

The motto INTENDENCE IN CAELUM translated **"LOOKING UP TO HEAVEN"**, suggests the determination to aim high.

EMBOLEM

The college emblem is symbolic and evocative. The lighted candle represents Jesus Christ, the Light of the World as well as the light of knowledge which dispels the darkness of ignorance. Alpha and Omega, the first and the last letters of the Greek alphabet symbolize the word of God as the Beginning and the End. The building represents the college while the hills and coconut palm are suggestive of the beautiful and tranquil hilly locale of the college. Encircled in the centre is the "Kallumthuvala" closely associated with St. Stephen, the patron saint of the college. The motto INTENDENCE IN CAELUM translated 'looking up to heaven', suggests the determination to aim high.
